BLACK HAWK COLLEGE

WHAT IS YOUR LEARNING STYLE?

(Choose the one that best fits)

___VISUAL LEARNER

- ✓ Needs and likes to visualize things
- ✓ Learns through images
- ✓ Enjoys art and drawing
- ✓ Reads maps, charts and diagrams well
- ✓ Fascinated with machines and inventions
- ✓ Likes mazes and puzzles.
- ✓ Learn best by seeing or watching demonstrations
- ✓ Often accused of being a daydreamer in class
- ✓ Usually unaware of sounds, but is distracted by visual disorder

___AUDITORY LEARNER

- ✓ Thinks in words, verbalizes concepts
- ✓ Spins tales and jokes
- ✓ Spells words accurately and easily
- ✓ Can be a good reader or prefer the spoken word more
- ✓ Has excellent memory for names, dates and trivia
- ✓ Likes word games
- ✓ Enjoys using tape recorders
- ✓ Often musically talented
- ✓ Not bothered by visual distractions, or action around me, but I am easily distracted by sounds

___KINESTHETIC LEARNER-

- ✓ **Processes knowledge through physical sensations**
- ✓ **Highly active, not able to sit still long**
- ✓ **Communicates with body language and gestures**
- ✓ **Shows you rather than tells you**
- ✓ **Needs to touch and feel world**
- ✓ **Good at mimicking others**
- ✓ **Likes scary amusement rides**
- ✓ **Naturally athletic and enjoys sports.**
- ✓ **Often labeled with attention deficit disorder**

___LOGICAL LEARNER

- ✓ **Thinks conceptually**
- ✓ **Likes to explore patterns and relationships**
- ✓ **Enjoys puzzles and seeing how things work**
- ✓ **Constantly questions and wonders**
- ✓ **Capable of highly abstract forms of logical thinking at early age**
- ✓ **Computes math problems quickly in head**
- ✓ **Enjoys strategy games, computers and experiments with purpose**
- ✓ **Creates own designs**

Understanding your style of learning can allow you to use strategies to enhance your method of learning, therefore becoming a more successful student. After determining your learning style, you will be given a sheet with helpful tips to meet your style.
