How to Use the Schedule

These definitions will help you read the Black Hawk College schedule:

Online – classes that meet primarily over the internet. Some on-campus activities may be required. See myBlackHawk for technical requirements and required campus visits.

Hybrid – classes that meet in the traditional classroom setting for at least half of the scheduled course hours; the rest of the class involves structured education opportunities such as internet components, field trips, service learning projects, or other activities designed by the instructor.

12-Week Course – course that meets for approximately 12 weeks rather than the traditional full semester.

Course Prerequisite Course – course that has a specific prerequisite that needs to be met prior to taking this course.

NIGHT COURSES – class beginning after 5:00 P.M.

Black Hawk College offers classes at various locations across the district.
