Supply Chain Management

- The 2+2 is a four-year plan that leads to a Bachelor of Business (B.B.) degree in Supply Chain Management at WIU. Students will fill out applications for both schools, and consult the advisors and the catalogs for both schools for specifics. This completion guide is designed to ensure graduation in four years by taking courses at both BHC and WIU. This guide assumes students have met all course prerequisites required by BHC and admissions requirements for WIU.
- Upon completion of the first two years requirements at BHC, students will receive an Associate in Arts (A.A.) degree. Students will be required to complete business core and major course requirements at WIU, and upon completion of the final two years curriculum requirements students will receive the B.B. degree with a major in Supply Chain Management. In general, a minimum of 64 semester hours (s.h.) will be taken at BHC at BHC rates and 60 s.h. from WIU at WIU rates.
- Under this agreement, acceptance as a declared business major requires the completion of a minimum of 60 s.h. with a cumulative grade point average (GPA) of 2.50. The student must have also completed ACCT 201 and 202, ECON 231 and 232, MATH 137, and STAT 171. Transfer students not eligible to declare will be limited to 29 hours of business coursework as noted (**Note 9.**) below until these requirements have been met. Enrollment in a Pre-Business Program does not guarantee acceptance into one of the major areas as a candidate for the Bachelor of Business degree.

Notes for BHC:

1. An overall grade point average of 2.0 and a grade of "C" or better are required in ENG 101 and ENG 102.

2. Any transferable elective may be chosen for the A.A. degree; however, students who wish to complete the BHC. Supply Chain Management curriculum must include MATH 131 in their program of study.

3. Students should consult the Black Hawk College catalog for a listing of IAI courses which meet degree requirements.

4. At least one lab science class is required (4 s.h.).

5. Additional math prerequisites may be required based on the student's math algebra placement scores. Students would be required to complete these pre-requisite classes with a grade of C or higher. Courses below college level will not apply toward graduation.

6. ECON 270 meets the Non-Western Studies requirement for the A.A. or A.S. degree at Black Hawk College.
