

## Sustaining Life Member Form

Sustaining Life Members are paid-in-full Life Members who voluntarily choose to give an extra measure of support. Your voluntary donation will help strengthen the links among you, our future alumni and our beloved Agriculture programs today, and in the future.

You can continue to offer financial support to the Black Hawk College Agri-Business Club Alumni so they can keep pace with rising costs and maintain a leadership role in community college alumni relations by becoming a ***Sustaining Life Member***.
