TRANSFER FACTS

- Midstate College is accredited by the Higher Learning Commission and is a member of the North Central Association of Colleges and Schools.
- Students transferring from another accredited college may receive credits for courses completed with a grade of "C" or better if the course is applicable to the student's program at Midstate.
- Midstate College accepts individual Illinois Articulation Initiative General Education Core Curriculum courses with a grade of "C" or better. Any IAI course will apply to Midstate's general education requirements.
- Any student who transfers "in good standing" with a completed Associate in Arts or Associate in Science degree from an Illinois college under the GECC requirements in force since the summer of 1998, would be approved as having satisfied his/her lower division General Education requirements at Midstate College.
- One third of all credit hours for any one educational program, degree or diploma must be taken at Midstate College. In addition, the student must have taken the final quarter term, or its equivalent, at Midstate to qualify for a Midstate degree or diploma.
- Midstate College does not accept more than 60 semester hours at the 100-200 course level. Any exceptions to this policy must be approved by the Dean of Students or be a component of a formalized articulation agreement.
