Bachelor of General Science Transfer Guide

Associate in Science Degree from Black Hawk College

Transfer Facts

- The first two years of the Bachelor of General Science Degree from Palmer College of Chiropractic may be completed at Black Hawk College by following the curriculum below.
- The minimum requirements for the Bachelor of General Science degree include: 121 total semester hours; sixty 100-200 level credit hours which may be earned at BHC; thirty 300-400 level credits earned at Palmer including thirty one credit hours of natural/physical sciences earned in the DC program at Palmer.
- The Bachelor of General Science degree complements the Doctor of Chiropractic Program curriculum; and courses are offered at times that accommodate students who obtain both degrees simultaneously.
- Admission to the Doctor of Chiropractic Program requires a minimum of 90 credit hours with a grade point average of 2.75/4.0 or higher and 24 credits in life and physical sciences.
