

To celebrate Veterans Day, Black Hawk College students assembled 21 care packages to send to troops serving overseas.

BHC employees and students donated hundreds of items for the care packages. Students wrote notes of encouragement and thank you cards that were put in the boxes.

Pictured with the care packages are members of the Military Students and Veterans Club. From left to right are Bobby Cain (Marines), Andre Lewis (Navy), Marceia Duhm (advisor), Ashley DeSplinter (Air Force) and Rob "Forrest" Mayne (Navy).
