

MOLINE, Ill. - The Black Hawk College Quad-Cities Foundation has distributed more than \$76,400 in scholarships to more than 100 Quad-Cities Campus students for the 2017-18 school year.

"On behalf of the foundation's Scholarship Committee, we congratulate the 2017-18 scholarship recipients and wish you tremendous success at Black Hawk College," said Maureen Dickinson, executive director of the BHC QC Foundation.

"Thank you to all the donors who established scholarships and provided resources for the foundation. Clearly you value education and understand the importance of supporting students' decisions to pursue their dreams at Black Hawk College," she said.

"By helping meet educational needs for these students, you alleviate the stress that comes from financial worries and enable them to concentrate on getting the most out of their Black Hawk College experience. We are ever so grateful," Dickinson said.
