The 2021-22 Black Hawk College Livestock Judging Team and coaches

The 2021-22 Livestock Judging Team will go down in history as one of the greatest teams to ever be assembled at Black Hawk College, finishing the year as the National Champion Junior College Livestock Judging Team.

The sophomores claimed High Team honors for 10 of 12 shows they competed in for 2021-22.

"I'm proud of the students who come through our program and the fact that I get to be a part of the education of tomorrow's leaders," said Dr. Blake Bloomberg, lead livestock judging coach.

"All teams are special to me but this one was different from the beginning. This group was persistent and diligent in their approach and work ethic," he said. "They feared losing more than they enjoyed winning."
