

Black Hawk College is poised to begin a \$40.8 million renovation project at the Quad-Cities Campus.

Artist rendering of remodeled Building 3 at the Quad-Cities Campus

As part of the college's [Facilities Master Plan](#), Building 3 is scheduled to undergo a major renovation that will include science and health career labs, athletics and fitness spaces, classrooms, faculty offices and the BHC Police Department.

The three-story building on the west side of campus will have limited accessibility until the project is finished in mid-2024.

The [BHC Police Department](#) has moved to the Sustainable Technologies Building on the east side of campus (accessible from Lot 1 off 70th Street). The [Athletic Department](#) has moved to Building 1, and the [Hawk's Cupboard food pantry](#) has moved to Building 4. Lot 3 (the parking lot west of Building 3) will be closed for parking and used by construction.

The gym will be accessible for athletic events during construction except May 15, 2023-Aug. 1, 2023. The [Health Sciences Center](#) and adjacent Lot 2 will remain open and accessible during construction.

Built in 1971, the renovated Building 3 will include:

- Athletics/fitness facilities
- Campus police office
- Food pantry
- Training room
- 8 natural science labs
- 4 health science labs
- 7 science prep and storage rooms
- 5 classrooms

- 1 computer lab
- Faculty offices
- New entry

The pool closed in 2020 and the space will be remodeled into new science labs that will relocate to Building 3 from Building 2.
