

Student-athletes from all eight Black Hawk College teams have been named to the Athletic Director's Academic List for achieving a 3.25 GPA or higher during the Fall 2023 semester.

The 68 student-athletes on the list represent 49% of BHC players. To qualify for the list, student-athletes must be taking at least 12 credit hours.

The softball team had the highest percentage of players on the list – 73% of the team achieved a 3.25 GPA or higher for the semester.

Next was the golf team with 69% then the baseball team with 52% of players on the list.

"This is the largest percentage yet. Almost half of our student-athletes have earned a spot on this list," said Arnie Chavera, BHC athletic director.

"They deserve to be recognized for their commitment and hard work, as this class has raised the bar," he said.

The student-athletes are listed by their hometowns. All hometowns are in Illinois unless otherwise noted.
