

The [Black Hawk College East Foundation](#) honored both those who gave and those who received at its annual scholarship banquet.

“This is such a neat program that not only honors our benefactors who provide the scholarships, but also the students who benefit from them,” said Doug Parrott, chair of the foundation’s board.

Students shared their future plans and how receiving a scholarship has assisted them in their education.

“Every single year, many students’ stories pull at the heartstrings, making all the foundation’s work seem more worthwhile!” he said.

Parrott also acknowledged the recent passing of foundation board member Chuck Deahl with a moment of silence at the banquet. Deahl was very involved in Black Hawk College East Foundation and a strong supporter of the East Campus.

Liz Breedlove, the foundation’s executive director, congratulated the 2018-19 scholarship recipients.

“It is our hope that you will always remember the kind assistance you have received from our benefactors, and when you are able, will pay this generosity forward,” she said.

The Black Hawk College East Foundation has awarded 99 scholarships totaling \$86,645 to 75 students for the 2018-19 school year. With additional scholarships that will be awarded in the spring, the foundation expects to exceed \$110, 000 in scholarship support for the year. The foundation maintains 96 scholarship funds with assets of more than \$2.6 million.
