

Forty Black Hawk College student-athletes have been named to the Athletic Director's Academic List for achieving a 3.25 GPA or higher during the Fall 2021 semester.

The 40 student-athletes on the list represent 35% of BHC players.

All eight Black Hawk College teams are represented, with softball having the highest percentage of players on the list - 46% of the team achieved a 3.25 GPA or higher for the semester.

Two other teams had more than 40% of their players on the list - volleyball (42%) and baseball (41%).

"I am extremely proud of this group of men and women," said Arnie Chavera, BHC athletic director.

"Despite the continued challenges that collegiate students-athletes face with the lingering of COVID, they have persevered and demonstrated a commitment to their education," he said.
