

Congratulations to Black Hawk College East Campus students and coaches for winning the [2022 North American Colleges and Teachers of Agriculture \(NACTA\) Judging Conference Sweepstakes Award!](#)

This marks the 13th time Black Hawk College has garnered the top prize at the [national judging conference](#). BHC students brought home the Sweepstakes Award in 1981-85, 1989, 2009, 2014 and 2016-19.

The 39-member BHC team won by having the highest combined team score for two-year schools. The second-place team was Northeast Community College from Norfolk, NE. Illinois State University won for the four-year-schools.

The four-day conference was held for the first time since 2019. About 200 students from 17 two-year schools competed.

Black Hawk College entered teams in nine of the 13 contests. To be eligible for the Sweepstakes Award this year, a college had to enter at least seven contests.

Team awards:

- 1st Place - Ag Communications, Ag Computers, Dairy Judging, Equine Management, Livestock Judging, Livestock Management and Soils Judging
- 2nd Place - Ag Business
- 4th Place - Knowledge Bowl
