

Mission

The Planning and Institutional Effectiveness Mission is to progressively contribute to the strategic planning, policy formation and decision-making processes of Black Hawk College by advancing and providing timely and accurate quantitative and qualitative information, analysis and summary reports, and by providing leadership in Strategic Planning, Institutional Effectiveness, mission attainment, continuous quality improvement, accreditation and accountability.

Responsibility

- Manage research and data for accreditation
- Manage institutional studies for major decision support
- Manage administration of and provide analysis for campus-wide surveys
- External reporting such as IPEDS, HLC, College Board, ACT, etc.
- Provide data and research for grant proposals and grant reporting
