

Associate in Arts (AA) Degree Planning Worksheet

Effective for students following the 2021-2022 catalog

This worksheet is for general planning purposes. Refer to the college catalog for complete Graduation Requirements, course descriptions, and pre-requisites at www.bhc.edu/academics/catalog. For any discrepancies between this worksheet and the catalog, the catalog prevails. **Students with a specific transfer major and institution in mind should contact that school for course recommendations and work closely with a Black Hawk College advisor.**

General Education

- Completion of the General Education courses below completes the Illinois Articulation Initiative General Education Core Curriculum (IAI GECC).
- Graduation requirement: select one Non-Western Studies course from Humanities and Fine Arts or from Social and Behavioral Sciences. (see courses with the ♦ symbol).
- Up to twenty credits may be earned by the following methods: Departmental Proficiency, Portfolios, Advanced Placement Program (AP), College Level Examination Program (CLEP), Armed Service Experience, High School Articulation, and International Baccalaureate (IB). Refer to "Non-Traditional Credit" in the catalog.

• Course Key:		Prefix	Number	Credit H	lours	T	itle	IAI Code
		ENG	101	(3)		C	omposition I	(C1 900)
COMMUNICA	ATI	ON					3 COURSE	S (9 CREDITS)

GECC Note:

Students may not receive General Education credit twice for the following combinations of completed coursework:

- a. PHYS 101 and PHYS 110
- c. CHEM 101 and CHEM 110
- b. PHYS 201 and PHYS 110
- d. MATH 108 and MATH 228

<u>To Graduate</u>	
General Education credits (37 minimum)	
Elective credits to reach 60 total degree credits +	
TOTAL CREDITS (60 minimum, of which 24 are earned at BHC) =	
GPA 2.0 minimus	m 🗖
Completed one Non-Western Studies course (courses with the ◆ symbo	ol)

Electives

Students should work with an advisor to select only articulated transfer or career courses as electives to satisfy the 60 credit hour graduation requirement. Because requirements vary among institutions and from state to state, students should request assistance in determining course transferability from their academic advisor. No course numbered below 100 will apply toward graduation.

Courses may also include:

- Courses required by Black Hawk College and/or the transfer school for a particular major.
- Courses that transfer from other institutions as UPP.
- Up to four credits of physical education activity courses will count toward graduation. The PE Varsity Sports Courses will be evaluated as activity courses for the purpose of graduation if taken before spring 2021.
- Up to twelve credits of applied music lessons will count toward graduation.
- Course that meet's BHC's Non-Western Studies requirement if not taken within the GECC.

Course	Hrs	Course	Hrs	Course	Hrs

Communication, English, Reading and Math courses commonly used as pre-requisites.

The courses on the next page may be required pre-requisites for college-level courses. Before enrolling in any of these courses, contact an advisor who will review student assessment scores (Accuplacer, SAT, or ACT), Advanced Placement (AP) scores, dual credit courses taken in high school, or college and high school transcripts to determine course eligibility. Courses numbered below 100 do not fulfill graduation requirements and do not transfer.

Course (credit hours)

COMM 105 Essentials of English (3)

reviews grammar, punctuation, usage, sentence structure and organizational principles

ENG 091 Writing Fundamentals (3)

strategies for organization and development of paragraphs and short essays, and improving grammar and writing skills for academic writing

ENG 099 Reading and Writing Essentials (3)

academic writing and critical reading skills, grammar fundamentals, and MLA and APA documentation. Offered in high school; see BHC English Department.

ENG 100 Academic Writing Conventions (3)

a review for academic writing with focus on grammar, MLA and APA format, and other academic writing conventions

ENG 101 Composition I (3)

first of two courses in the one-year general education composition sequence

REA 098 Academic Reading (3)

reading skills to prepare for college-level reading

REA 103 Advanced Academic Reading (3)

reading skills necessary for success in college-level textbooks and related reading

MATH 060 Corequisite for Statistics (1)

a corequisite support course for MATH 108

MATH 061 Corequisite for General Math (1)

a corequisite support course for MATH 110

MATH 070 Topics in Developmental Math (1.5)

structured remediation to review arithmetic through algebra topics with intent of placing into a higher level of math and ideally a college level math course

MATH 074 Arithmetic (3)

a review of basic computational skills

MATH 078 Pre-Algebra (3)

review of the basic operations of arithmetic and an introduction to algebra

MATH 081 Basic Algebra (3)

introductory algebra

MATH 085 Plane Geometry (3)

construction techniques, congruency, angles and triangles, similar polygons, parallel lines and planes, areas and volume, logic, and formal proofs. Not regularly offered.

MATH 086 Fundamentals of Algebra (2.5)

combination of basic and intermediate algebra

MATH 091 Intermediate Algebra (4)

extension of basic algebra

MATH 092 Math Literacy for College I (3)

first of two courses designed as an alternative developmental mathematics path for students planning to take general education mathematics and/or general education statistics. Cannot be used as pre-requisite for MATH 112 College Algebra

MATH 094 Math Literacy for College II (3)

refer to MATH 092. Cannot be used as pre-requisite for MATH 112 College Algebra
