Welcome to the exciting world of nursing! As you consider pursuing a degree in this rewarding field, it's important to recognize that nursing is not just a profession—it's a lifelong commitment to learning and growth in an ever-evolving healthcare landscape. Nurses play a vital role in addressing patients' mental, emotional, and physical needs.

To thrive in nursing, you must be a compassionate individual who genuinely cares for others. This profession requires resilience to manage crises, a strong sense of moral and legal accountability, and a deep respect for the diverse backgrounds and beliefs of all individuals you will serve. A successful nurse embraces the responsibility of caring for patients, supervises others, demonstrates initiative, and exercises sound judgment in emergencies.

If you're ready to embark on this journey, please complete the Application for Admission to the Associate Degree Nursing program. Enclosed, you'll find a checklist to ensure you submit a complete application, along with the curriculum plan and admission requirements. Remember, all applications are due by **February 27, 2026**, with priority given to those submitted by **February 13, 2026**.

Should you have any questions after reviewing the materials, feel free to reach out to Stephanie at **309-796-5379** or grays@bhc.edu.

We look forward to supporting you on your path to becoming a skilled and compassionate nurse!

Sincerely,

Trudy Starr, MSN, RN

Associate Degree Nursing (ADN) Program Checklist

_____ **Complete the New Student Checklist:** If you are not currently a Black Hawk College student, visit www.bhc.edu/checklist to follow the steps required for new students.

_____ **HESI Testing** - Complete the HESI Testing in the ILC at the Quad-Cities by February 27, 2026.

- ☐ Please schedule your appointment at <https://www.bhc.edu/current-students/testing-center/>
- ☐ They will no longer accept walk in appointments.
- ☐ You must achieve a minimum overall score of 70. Retests are allowed once per application cycle, but there must be a **3-week gap** between the first and second tests.

_____ **Prospective Nursing Student Orientation** - Complete the Prospective Nursing Student Orientation by following these steps:

- ☐ You must be able to log into MyBHC to access the orientation - www.bhc.edu/mybhc.
- ☐ Go to www.bhc.edu/nursingorientation. Log into myBHC when prompted.
- ☐ Click the **“Enroll in Course”** button.
- ☐ Follow the prompts to complete the Orientation (approximately **1 hour**).

Note: All students applying for the ADN program must complete this orientation each time they apply.

ATTACH the following documentation to the ADN Application:

_____ **Unofficial college transcripts:**

- ☐ Current Black Hawk students can access transcripts at myBHC:
 - Click on the “Order Transcripts” tile
 - Click on “Unofficial Copy of Transcript”
 - Choose “All Levels” and “Web Unofficial”
- ☐ If official transcripts from another school have been received by Black Hawk College's Enrollment Services, please indicate this on your application. Verify with Enrollment Services, as your application will not be considered complete without these transcripts. In this case, you do not need to attach the transcripts. (If courses appear on your MyBHC transcript or Degree Audit with a “T” grade, then Enrollment Services has received them.

_____ **Unofficial high school transcript and SAT or ACT Scores only IF:**

- ☐ you are a current high school student; OR
- ☐ you are a student who graduated high school (or earned GED) within the last year and have completed less than 9 credit hours of college courses.

_____ **International Students:**

Admission Requirements

All applicants should review the College catalog for Black Hawk College admission requirements. In addition to meeting Black Hawk College admission requirements, students seeking entry into the Associate Degree Nursing (ADN) Program must meet the following requirements:

1. Earned a high school diploma or equivalent.
2. A minimum of 2.7 GPA in all prerequisites and general education courses is required. For Advanced Standing, nursing courses are also factored into the GPA. Developmental courses are not included in the GPA calculation.
3. Completion of all prerequisite courses with a grade of "C" or higher is required, except for Biology 145, which requires a grade of "B" or higher. Priority is given to students who have completed BIOL 146 with a "B" or above. BIOL 145 and BIOL 146 must be completed within the last 5 years, and BIOL 261 within the last 7 years.
4. Completion of all developmental courses determined by college placement test with a grade of "C" or above.
5. Completion of HESI Exam. A minimum overall score of 70 is required on the HESI exam for admission consideration. If HESI exam was taken before July 1, 2024 the exam must be retaken. Retests are permitted once per application cycle, but there must be a 3-week gap between the first and the second test.
6. For applicants who graduated high school within the last year and have completed fewer than 9 credit hours of college coursework, an SAT composite score of 480 or ACT composite score of 20 or higher is required.
7. High school applicants who do not meet GPA, did not graduate within the top 25% of their high school class, and any applicant with no college courses must take nine semester hours of college level courses.
8. Applicants must possess the physical ability to provide client care.
9. Completion of the online Nursing Student Orientation online at www.bhc.edu/nursingorientation (see instructions on the ADN checklist).

Note: *Students with chronic health problems or physical disabilities are accepted unless the health problem or disability is such that the student would be unable to complete the objectives of the program. For more information, see Technical Abilities Required by the Health Programs in the College catalog.

If you do not meet these admission requirements, please contact your assigned advisor. If you do not know who your assigned advisor is, contact the Advising Center at 309-796-5100.

Curriculum Plan

Prerequisites: Some courses require one or more prerequisite courses. Please refer to course descriptions in the Black Hawk College catalog. The following are prerequisites to the ADN program.
