

**Updated information for students planning to transfer to
St. Ambrose University.**

Incorporate these changes while using the transfer guide that follows.

Students transferring in fall 2026 or later will no longer need to meet St. Ambrose graduation requirements for a second language, and in health and fitness. SAU is ending these two requirements effective fall 2026.

Black Hawk courses affected may include HEAL 102, HEAL 200, PE 125, SPAN 101, and SPAN 102. While these courses are still transferrable to SAU, and may be needed for certain majors, they are not needed to meet general education requirements starting fall 2026.

Students are advised to contact their [**BHC advisor**](#) or SAU to assist with any adjustments to transfer planning. The SAU Admissions representative to BHC is
