

Sample Transfer Plan **Area of Focus: COMMUNICATION**

This Sample Transfer Plan is for students intending to major in Communication after transfer but who have not selected a transfer institution. Students who have a specific transfer school in mind should work with BHC and transfer school advisors to ensure the transfer school's requirements are met.

Students taking the recommended courses will develop a strong liberal arts background with an emphasis in verbal and written communication. The ability to communicate competently in public, in person, through technology and across cultural differences increases productivity, creates a better work environment and leads to career success. A degree in communication prepares for future employment in human resource management, training and development, recruitment, non-profit organizations, sales, retail management, event planning, public relations, media studies, government service, and education, as well as for further education in graduate school, law school, or the seminary. Communication transfer programs offer a great deal of flexibility and customization.

General Education Recommendations; minimum 37 credits

This section includes the complete Illinois Articulation Initiative General Education Core Curriculum (IAI GECC) , which is a package of courses meeting general education requirements at more than 100 participating Illinois colleges and universities.	
Communication (9 credits) – all courses required ENG 101 Composition I (3) – <i>grade 'C' or better required</i> ENG 102 Composition II (3) – <i>grade 'C' or better required</i> SPEC 101 Principles of Speech Communication (3)	Social & Behavioral Sciences (9 credits) <i>Must include courses from two disciplines</i> Choose three IAI: S courses (3 each)

Course Transferability

- Course and transfer requirements can vary among institutions and may differ from the recommendations on this guide. Grades of 'C' or better may be required for a course to transfer, especially courses intended for the major.
- Students are advised to select a transfer school as soon as possible, typically before completing 30 college-level credits.

Degree Timeframe

- Students who complete an average of 15 college-level credits in four consecutive fall and spring semesters could complete the degree in two years. Students determine their own pace and progress and should consider their work and personal commitments, course difficulty, course pre-requisites, and possible need for additional courses determined by placement assessments. Advisors are available to discuss credit load and schedules appropriate for student goals and circumstances.
- Students transferring before completing the associate degree should discuss [Reverse Transfer](#) with their BHC advisor. Black Hawk College will evaluate your college or university work to determine if those credits will fulfill the remaining requirements of the associate's degree.

Advising Notes

- See the current [BHC Catalog](#) for all IAI course codes, course descriptions, pre-requisite information, and complete graduation requirements to earn the degree. The area of focus is not stated on student transcripts.

- This guide is not a substitute for advising.
 Summer and Fall Semesters – be advised in February or March.
 Registration begins on the 1st Tuesday in April.

 Spring Semester and the Minimester – be advised in September or October.
 Registration begins on the 1st Tuesday in November.
