WITNESSETH:

WHEREAS, it is the desire of the parties hereto to expand educational services to the greatest number of students in each district served by the parties; and

WHEREAS, the parties hereto believe this Agreement should be one of the means to establish a viable method of cooperation between the parties hereto; and

WHEREAS, by means of this agreement, the parties hereto desire to share programs of each institution and thereby maximize the utilization of the finances, facilities, equipment, and personnel of each institution, and by so doing, provide educational services which might otherwise be impracticable for any of the parties individually; and

WHEREAS, the parties hereto believe that the implementation of this Agreement holds great promise for further development of higher education in Illinois; and

WHEREAS, this Agreement supersedes and takes the place of any and all prior cooperative agreements, and that all said prior agreements are hereby terminated.

NOW THEREFORE, in consideration of the mutual covenants hereinafter contained, the parties hereto agree as follows:

1. Institutional Identification

For the purpose of this Agreement, the college district sending the students to another college will be referred to as the "Sending College" and the college receiving students from another college district will be referred to as the "Receiving College".

2. Terms of Agreement

The educational programs offered by the colleges as part of this Agreement shall be programs approved by the Illinois Community College Board and the Illinois Board of Higher Education. The Agreement is explicitly for programs of study leading to an Associate in Applied Science degree or certificate in Career and Technical Education.

3. Duration of Agreement

This Agreement shall be in force upon adoption by the Board of Trustees of each of the participating colleges and will continue until terminated under the provision of item 6.

4. Amendments to Agreement

Amendments and/or revisions to this Agreement may be made at a time by mutual consent of all parties in writing. Such amendments and/or revisions shall be prepared in the form of an addendum agreement. The procedure for approval of such addenda and/or revisions shall follow the same procedure employed in securing approval by all parties in the original Agreement.

In the event of amendments and/or revisions to this Agreement, students who have entered an educational program shall be allowed to complete the program under the terms of this Agreement.

5. Coordination of Agreement

This Agreement shall commence in April 2007 and shall be continuous with automatic renewal. Illinois Central College in consultation with member institutions will coordinate changes and distribution of those changes to the other colleges on an annual basis when necessary.

6. Termination of Agreement

The participation of any college(s) in this Agreement may be terminated at the end of any spring semester to be in effect the following fall term at the request of the College President. Notice shall be given in writing on or before March 1 of the preceding academic year to each of the other College Presidents. In the event of such termination, students who have entered an educational program shall be allowed to complete the program under the terms of this Agreement.

7. Citizens Eligibility

Approval for students participating within this Agreement resides with the Sending College. Upon approval from the Sending College, a citizen may take advantage of the educational opportunity provided through this Agreement to apply for acceptance at a program not

available in his/her home district. Furthermore, a citizen may not enroll under the provisions of this Agreement in a program of a participating institution outside of his/her own if that citizen's educational objective can be met in the college of his/her home district.

8. Registration

Upon written approval from the Sending College, students shall register at the Receiving College and shall be members of that district for the terms of their enrollments. Under the terms of this agreement, students may take approved courses at either institution. Upon successful completion, courses taken at the Sending College shall be acceptable to transfer to the Receiving College for completion of the program, or vice versa.

9. Additional Educational Services

The Receiving College shall provide access to its Learning Resources Center and other instructional resources for students from the Sending College, equal to those provided for any other student at their campus. The Receiving College shall also provide counseling/guidance and other services that will facilitate the learning process.

10. Records and Recognition of Completion

The Receiving College shall maintain admissions records and transcripts and issue any and all degrees or certificates to students completing the educational program. The Receiving College will provide copies of such records to the Sending College at the student's request.

11. Scholarships and Student Activities

The Receiving College shall be considered the home district for athletic eligibility and/or any activity where the student officially represents an institution as well as for military and Illinois State Student Assistance Commission Scholarships. Athletic eligibility will be determined by the rules of the college's athletic conference. Students from any Sending College may be eligible at any Receiving College for any other extracurricular activities, scholarships, or other recognition of excellence in the program for which they are attending at the Receiving College.

12. Publicity

The educational programs offered through this Agreement shall be noted in college catalogs and publicized by the participating districts in a manner consistent with ICCB requirements and institutional publicity policies. Procedurally, students who wish to enroll at a Receiving College herein identified will secure from their home college a letter designating them as participants in an approved program.
