

## PLANNING GUIDE

### St. Ambrose University General Education Requirements

This guide is intended for Black Hawk College (BHC) students who plan to transfer to St. Ambrose University (SAU) prior to earning the Associate in Arts (AA) or the Associate in Science (AS) degree. Students should select courses at BHC based on SAU's general education requirements and the requirements for their chosen SAU major. Student transcripts will be evaluated by SAU on a course-by-course basis.

1. A maximum of 64 community college credits will be applied toward the minimum of 120 credits required for a bachelor degree at SAU. SAU's residency requirement is "the last 30 hours or 45 out of the last 60 credits to be taken at SAU".
2. Credit for college level work is granted in all areas that correspond to courses offered at SAU with a grade of "C" or better.
3. Courses completed with grades of "C-" or below will only be accepted if the student has earned a baccalaureate oriented associate degree. Students participating in the Guaranteed Admission Program must have "C's" on all college-level work even if completing the associate degree.
4. Pass grades are not accepted unless evidence can be provided that the grade would have been a "C" or better. Students who opted for a P (Pass) grade on BHC courses during COVID-19 may request documentation from BHC showing that a P = C or better.
5. The SAU cumulative GPA is based solely on course work taken at SAU.
6. CLEP and Advanced Placement (AP) credit are subject to review by SAU on an individual basis. Send exam scores to SAU.
7. BHC students may apply to the SAU [Dual Admission Program](#) and the [Guaranteed Admission Program](#).
