

## Sample Transfer Plan

## Area of Focus: *History* Associate in Arts (AA) transfer degree

**This Sample Transfer Plan is for students intending to major in History after transfer, but who have not selected a transfer institution.** Students who have a specific transfer school in mind should work with BHC and transfer school advisors to ensure the transfer school's requirements are met.

The History area of focus provides a broad perspective on the human condition. Students will study the growth and development of the human race over the last 5,000 years. Students will better understand how earlier generations created and shaped the civilizations and societies of today. History courses have significant reading and writing components and successful completion requires students to demonstrate college level abilities in these subjects; therefore, completion of ENG 101 prior to enrolling in history courses is highly recommended. Students who complete a baccalaureate program in History may be employed as teachers, college professors, museum workers, archivists, public officials, government employees, and corporate executives. History is often selected as preparation for law school.

**Degree Timeframe:**

- Students who complete an average of 15 college-level credits in four consecutive fall and spring semesters could complete the degree in two years. Students determine their own pace and progress and should consider their work and personal commitments, course difficulty, course pre-requisites, and possible need for additional courses determined by placement assessments. Advisors are available to discuss credit load and schedules appropriate for student goals and circumstances.
- Students transferring before completing the associate degree should discuss [Reverse Transfer](#) with their BHC advisor. Black Hawk College will evaluate your college or university work to determine if those credits will fulfill the remaining requirements of the associate’s degree.

**Advising Notes:**

- See the current [BHC Catalog](#) for all IAI course codes, course descriptions, pre-requisite information, and complete graduation requirements to earn the degree. The area of focus is not stated on student transcripts.
- This guide is not a substitute for advising. All students are encouraged to connect with their assigned BHC advisor each semester.
