

<p>Humanities (3 credits) Choose one IAI: H, or HF course (3)</p> <p>Fine Arts (3 credits) Choose one IAI: F or HF course (3)</p>	<p>Mathematics (6 credits) - 3 credits must be IAI GECC approved Choose one IAI: M course (3 min.) MATH 108 Statistics for General Education (3) Choose one additional Mathematics course MATH 112 College Algebra (4), or higher level</p>
<p>Physical & Life Sciences (10 credits min. including one IAI GECC lab course) - 7 credits must be IAI GECC approved Physical Sciences - CHEM 101 General Chemistry I (4) and CHEM 102 General Chemistry II (4) Life Science - BIOL 105 General Biology I (5)</p>	

Elective Recommendations:

up to 23 credits

This section includes courses appropriate for this area of focus. Because transfer institutions vary in their acceptance of coursework, see [Course Transfer Tables and Transferology](#), or an advisor. IAI courses are identified with an asterisk *. Seek advising about other elective courses that may support your reasons for choosing this area of focus.

Pre-Veterinary Medicine Electives

Discuss specific course options and transferability with an advisor.

- BIOL 106 General Biology II (5)* [some schools may require BIOL 105 and BIOL 106 to receive transfer credit]
- CHEM 203 Organic Chemistry I (5)*
- CHEM 204 Organic Chemistry II (5)* (some schools may require CHEM 203 and CHEM 204 to receive transfer credit)
- PHYS 101 College Physics I (5)*
- PHYS 102 College Physics II (5) (some schools may require PHYS 101 and PHYS 102 to receive transfer credit)
- The following courses may be required. Additionally, verify transferability into the university but also the pre-vet program. Actual course content can impact transferability so you may need to submit the course syllabus. Consult with the pre-vet program's advisors.
 - CHEM 206 Basic Biochemistry (3) non-lab course
 - BIOL 145 Anatomy & Physiology I (4)
 - BIOL 146 Anatomy & Physiology II (4)
 - BIOL 150 Genetics (3)*

Second Language: Consider potential second language admission and/or graduation requirements of transfer schools, which may be satisfied with high school and/or college courses. Consult advisor.

Minor: Transfer majors may require a minor area of study. Begin at BHC with 1-3 courses. Consult advisor.

Non-Western studies graduation requirement. To graduate with the AS degree, include at least one non-Western studies course. The course can simultaneously fulfill a general education requirement in humanities, fine arts, or social and behavioral science, or be taken as an elective. Choose from ANTH 100 or 102; ART 285 or 286; ENG 217, 218 or 219; HIST 115, 116, 141, 142, 151, or 222; HUM 102; IS 200; or MUSC 158.

60 total credits required for AS degree (General Education + Electives)

- Browse careers at [Collegegrad](#). [O*Net OnLine](#). [Occupational Outlook Handbook](#). [Occupational Profiles](#).

Course Transferability

- Course and transfer requirements can vary among institutions and may differ from the recommendations on this guide. Grades of 'C' or better may be required for a course to transfer, especially courses intended for the major.
- Students are advised to select a transfer school as soon as possible, typically before completing 30 college-level credits.

Degree Timeframe

- Students who complete an average of 15 college-level credits in four consecutive fall and spring semesters could complete the degree in two years. Students determine their own pace and progress and should consider their work and personal commitments, course difficulty, course pre-requisites, and possible need for additional courses determined by placement assessments. Advisors are available to discuss credit load and schedules appropriate for student goals and circumstances.
- Students transferring before completing the associate degree should discuss [Reverse Transfer](#) with their BHC advisor. Black Hawk College will evaluate your college or university work to determine if those credits will fulfill the remaining requirements of the associate's degree.

Advising Notes

- See the current [BHC Catalog](#) for all IAI course codes, course descriptions, pre-requisite information, and complete graduation requirements to earn the degree. The area of focus is not stated on student transcripts.
- This guide is not a substitute for advising.
Summer and Fall Semesters – be advised in February or March.
Registration begins on the 1st Tuesday in April.

Spring Semester and the Minimester – be advised in September or October.
Registration begins on the 1st Tuesday in November.
