

Memo

TO: Black Hawk College Community
FROM: Gene Gardner
DATE: December 15, 2011
SUBJECT: Project Committees for East Campus and Quad-Cities Campus
Fitness/Activity Centers Renovations

At the present time, we do have several important Capital Expenditure Projects in various stages of planning, construction, and completion. One of the last major projects included under the 2010 Bond Issue is the renovation of the Fitness/Activity Centers on both campuses. It is anticipated that the first phase of this work will be funded by proceeds from the 2010 Bond Issue with additional work to be funded from proceeds from later bond issuances. Tentative budgets at the present include \$400,000 for East Campus and \$1,000,000 for Quad-Cities Phase I projects.

Outlined below is the initial membership for each of the two committees. As always, additional members are welcome. If you are interested in serving on one or both of these committees, please contact Rose Campbell or Chanda Dowell.

Please let me know if you have any questions. Thanks.
