NOTES:

1. Augustana College has a second language requirement for graduation that students may meet in one of the following ways: • Completion of four years of a single second language in high school. • Satisfactory performance on a competency test at Augustana. • Completion of course 102 in a foreign language at Augustana. • The equivalent of one year of a foreign language at another college (101 & 102 at Black Hawk College).
2. Math 108 is recommended as it will meet both the Quantitative (Q) requirement as well as substitute for Augustana's PSYC 240, Psychology Statistics.
3. Electives may include courses toward a second major or minor at Augustana. Refer to Augustana website at www.augustana.edu for other possible major/minors. Electives may also include ENG 100 and/or REA 103 if required by BHC assessment. See also note #5.
4. Recommended elective within Psychology.
5. All Augustana students must complete a course in both the Global Diversity (G) and Multicultural Diversity (D) suffixes. BHC requires one non-western studies course for graduation and it may simultaneously fulfill an IAI category in Humanities, Fine Arts, or Social and Behavioral Sciences, or be taken as an elective in the AA degree. **One course may meet multiple requirements.** Refer to the [BHC AA degree requirements](#) and the [Augustana General Education Requirements](#) for course options.
6. PE 125 may be repeated. Fulfills Augustana's Physical Education activity requirement. The requirement may also be completed at Augustana.
7. Augustana graduation requirement to be taken at Augustana.
8. Psychology elective depends on interest and may be taken any semester.
