

## Sample Transfer Pathway

## Area of Focus: *Psychology* Associate in Arts (AA) transfer degree

**This Sample Transfer Pathway is for students intending to major in Psychology after transfer, but who have not selected a transfer institution.** Students who have a specific transfer school in mind should work with BHC and transfer school advisors to ensure the transfer school's requirements are met.

This plan is preparation for a Bachelor of Arts degree in Psychology. Students preparing for a Bachelor of Science degree should observe the alternate recommendations for General Education and Electives, and discuss with an advisor whether to complete the Associate in Science degree instead of the Associate in Arts degree.

Psychology is the scientific study of the mind and behavior including perception, learning, memory, motivation, and personality. Specialized areas include cognitive, developmental, social, behavioral/neuroscience, industrial/organizational and clinical psychology. Clinical psychologists are to be distinguished from psychiatrists, who are physicians (M.D.'s) with specialized training in the treatment of mental disorders. Students who complete a bachelor's degree in psychology may find job opportunities as teachers, caseworkers, public officials, or assistant research psychologists in government, business and industry. Others work in education, sales, marketing and human resources. Psychology is excellent preparation for law and medical schools, nursing, physical and occupational therapy, and religious service. A master's degree can lead to work in counseling, industrial organization, social work and political science. Advanced professional training, usually through the Ph.D. degree, includes extensive work in research.

### General Education Recommendations:

minimum 37 credits

Because transfer institutions vary in their acceptance of coursework, see [Course Transfer Tables and Transferology](#), or an advisor.

**Communication (9 credits)** – *all courses required*  
 ENG 101 Composition I (3) – *grade 'C' or better required*  
 ENG 102 Composition II (3) – *grade 'C' or better required*  
 SPEC 101 Principles of Speech Communication (3)

**Social & Behavioral Sciences (9 credits)**  
*Must include courses from two disciplines*  
 PSYC 101 Intro to Psychology (3)  
 Choose two IAI: S courses (3 each)

**Humanities & Fine Arts (9 credits)**  
 PHIL 101 Introduction to Philosophy (3) **or** PHIL 103 Ethics (3)  
 Fine Arts - choose one IAI: F or HF course (3)  
 Humanities or Fine arts – choose another IAI: F, H or HF course (3)

**Mathematics (3 credits)**  
 MATH 228 Probability & Statistics (3)

**Physical & Life Sciences (7 credits min. including one lab)** *See science sequence options below in Elective Recommendations*  
 Physical science – CHEM 101 General Chemistry I (4) **or** CHEM 110 Introduction to Chemistry (4)  
 Life Science -- BIOL 100 General Biology (4) **or** BIOL 101 General Human Biology (4)

### Elective Recommendations:

up to 23 credits

This section includes courses appropriate for this area of focus. Because transfer institutions vary in their acceptance of coursework, check course transferability with [Transfer Equivalencies](#), [Transferology](#), or an advisor. IAI courses are identified with an asterisk \*. **Seek advising about other elective courses that may support your reasons for choosing Psychology.**

**Psychology Electives:**  
 PSYC 230 Social Psychology (3)\*  
 Choose 2-3 courses from:  
*Lifespan area:* PSYC 200 Human Growth & Development (3)\*;  
 PSYC 262 Child Psychology (3)\*; SOC 264 Social Psychology of Aging (3)\*  
*Clinical area:* PSYC 210 Personality Theories (3); PSYC 250 Abnormal Psychology (3)\*; PSYC 262 Child Psychology (3)\*

**Computer Science:**  
 CS 121 Intro to Computer Science (3)\*  
**Second Language:** Consider potential second language admission and/or graduation requirements of transfer schools, which may be satisfied with high school and/or college courses. Consult an advisor.

*NOTE: Transfer schools may limit the number of 100- and 200-level Psychology courses applied toward the major; in which case the courses receive general elective credit.*

**Other Electives for a B.S. degree.** Complete one of the following 2-course science sequences:

- a. Biology: take BIOL 105 General Biology I (5)\* for the general education Life Science **and** BIOL 106 General Biology II (5)\*

b. A & P: BIOL 145 Anatomy Physiology I (4)* <b>and</b> BIOL 146 Anatomy Physiology II (4)* c. Chemistry: <i>take</i> CHEM 101 General Chemistry I (4)* <i>for the general education Physical Science</i> <b>and</b> CHEM 102 General Chemistry II (4)* d. Physics: <i>take</i> PHYS 101 College Physics I (5)* <i>for the general education Physical Science</i> <b>and</b> PHYS 102 College Physics II (5) *  Also complete an additional Math course: MATH 124 Calculus I (4)* <b>or</b> MATH 132 Calculus for Bus/Soc. Sciences (4)* <b>or</b> MATH 131 Finite Math (3)*	<b>Minor:</b> Transfer majors may require a minor area of study, which may be started at BHC with 1-3 courses. Discuss possible minors & courses with an advisor.
--	---

### 60 total credits required for AA degree (General Education + Electives)

**Non-Western studies graduation requirement.** To graduate with the AA degree, include at least one non-Western studies course. The course can simultaneously fulfill a general education requirement in humanities, fine arts, or social and behavioral science, or be taken as an elective. Choose from ANTH 100 or 102; ART 285 or 286; ENG 217, 218 or 219; HIST 222, 141, 142 or 151; HUM 102; IS 200; or MUSC 158.

- Visit [Career Coach](#) to Browse Careers. Includes job data and open positions for the greater Quad City region and beyond.
- Browse careers at [Collegegrad.com/careers](#) [O\\*Net OnLine](#) [Occupational Outlook Handbook](#) [Occupational Profiles](#)
- For additional information visit [Learn Psychology](#) [American Psychological Association](#)

**Course Transferability:**

- Course and transfer requirements can vary among institutions and may differ from the recommendations on this guide. Grades of 'C' or better may be required for a course to transfer, especially courses intended for the major.
- **Students are advised to select a transfer school as soon as possible, typically before completing 30 college-level credits.**

### Where to transfer?

Explore transfer colleges and universities and their majors:

Explore Colleges & Universities <a href="https://www.bhc.edu/academics/transfer-planning/explore-colleges-universities/">https://www.bhc.edu/academics/transfer-planning/explore-colleges-universities/</a>	Illinois Institutional Profiles <a href="https://illinoispostsecondaryprofiles.com/Home/index">https://illinoispostsecondaryprofiles.com/Home/index</a>	College Navigator <a href="https://nces.ed.gov/collegenavigator/">https://nces.ed.gov/collegenavigator/</a>
--	--	--

**Degree Timeframe:**

- Students who complete an average of 15 college-level credits in four consecutive fall and spring semesters could complete the degree in two years. Students determine their own pace and progress and should consider their work and personal commitments, course difficulty, course pre-requisites, and possible need for additional courses determined by placement assessments. Advisors are available to discuss credit load and schedules appropriate for student goals and circumstances.
- Students transferring before completing the associate degree should discuss [Reverse Transfer](#) with their BHC advisor. Black Hawk College will evaluate your college or university work to determine if those credits will fulfill the remaining requirements of the associate's degree.

**Advising Notes:**

- See the current [BHC Catalog](#) for all IAI course codes, course descriptions, pre-requisite information, and complete graduation requirements to earn the degree. The area of focus is not stated on student transcripts.
- This guide is not a substitute for advising. All students are encouraged to connect with their assigned BHC advisor each semester.

Semester	Meet with BHC advisor	Registration begins
Summer and Fall	February or March	1 <sup>st</sup> Tuesday in April
Spring & minimester	September or October	1 <sup>st</sup> Tuesday in November
