

The Black Hawk College Associate in Applied Science degree in General Occupational and Technical Studies (G.O.T.S.) can be completed by combining your MTI certificate with additional courses taken at BHC. If you wish, the additional BHC courses could come from a BHC certificate along with any required general education courses. A minimum of 63 credits is required to earn the [G.O.T.S. degree](#).

Below are suggested BHC certificates that can work well in combination with various MTI certificates (X). Click [here](#) to learn about the various BHC certificates. A BHC advisor can help you explore your options.

All the following Black Hawk College certificates are available at the BHC Moline Campus or online. Certificates in bold type are also offered at the BHC East Campus in Galva, IL.
