

The Black Hawk College Associate in Applied Science degree in General Occupational and Technical Studies ([G.O.T.S.](#)) requires a minimum of 63 credits. Your MTI certificate can be combined with general education and additional courses taken at BHC to complete the G.O.T.S. You may even elect to complete a BHC certificate to count toward the G.O.T.S. minimum credits.

Below are suggested BHC certificates that may add value to the training you attained with your MTI certificate. For example, a Dental Assisting graduate might consider adding skills in accounting with the Accounting Clerk certificate, or enhance their patient care abilities through the C.N.A, Patient Care, or L.P.N. programs. Click [here](#) to learn about the various BHC certificates. A BHC advisor can help you explore your options.

All the following Black Hawk College certificates are available at the BHC Moline Campus or online as noted. **Certificates in bold type** are also offered at the BHC East Campus in Galva, IL.
