

SO YOU'RE READY TO MEET YOUR ADVISOR – WHAT'S NEXT?

At this point, you'll need to schedule an appointment through myBlackHawk, the BHC student portal. This is how you will schedule meetings with an advisor during your time at Black Hawk, and it's super easy!

1. Go to www.bhc.edu and at the top right, click on myBlackHawk, or go directly to myblackhawk.bhc.edu. Use your Black Hawk username to log in.

2. Navigate through the menu to the **Student** tab.

3. Look at the top left for the myAdvising section. Click "**Schedule an Appointment**" to see your advisor's availability!* If you experience any issues, please call the Advising number for your campus/program.
