

Sample Transfer
Plan

Area of Focus: **Sport & Fitness Management**

Associate in Arts (AA) transfer degree

This Sample Transfer Plan is for students intending to major in Sport and Fitness Management after transfer, but who have not selected a transfer institution. Students who have a specific transfer school in mind should not use this guide, but instead seek advising from BHC and the transfer school to ensure the transfer institution’s requirements are met.

The Sport and Fitness Management area of focus provides a broad overview for careers in professional sports, college athletics, campus recreation and parks departments. Students who complete a related bachelor’s degree may find job opportunities in athletic direction; coaching; marketing, public relations and sales; event and facility management; and park and recreation programming. Business competencies are essential; therefore, taking related courses in the first two years is recommended. *Athletic Training is considered a healthcare profession which requires different undergraduate preparation, and possibly a masters degree to meet state licensure requirements.*

Degree Timeframe:

- Students who complete an average of 15 college-level credits in four consecutive fall and spring semesters could complete the degree in two years. Students determine their own pace and progress and should consider their work and personal commitments, course difficulty, course pre-requisites, and possible need for additional courses determined by placement assessments. Advisors are available to discuss credit load and schedules appropriate for student goals and circumstances.

Advising Notes:

- See the current [BHC Catalog](#) for all IAI course codes, course descriptions, pre-requisite information, and complete graduation requirements to earn the degree. The area of focus is not stated on student transcripts.
- This guide is not a substitute for advising. All students are encouraged to seek advising each semester. Advising is required prior to registering for students who have earned fewer than 30 college-level credits.
