From President Wynes to all Students Regarding COVID Updates

**COVID-19 UPDATE FROM BLACK HAWK COLLEGE**

On July 12, 2022, Illinois Governor J. D. Pritzker rescinded Executive Order 2022-16, Vaccination or Test Mandate. As a result, anyone entering Black Hawk College campus locations who are not fully vaccinated will no longer be required to submit to weekly COVID-19 compliance testing. However, contact tracing will continue to be conducted and individuals need to report a positive COVID-19 test, symptoms consistent with COVID-19 or close contact with someone confirmed to have COVID-19, regardless of vaccination status.

We encourage everyone to continue to self-monitor for COVID-19 symptoms regardless of vaccination status. If you have questions regarding COVID-19 or testing mandates, please contact Nikki Rumburg, COVID and Crisis Response Project Manager at [rumburng@bhc.edu](mailto:rumburng@bhc.edu).
