

**TAKE THE
NEXT STEP**

Dear Future Black Hawk College Student,

As you decide which college you want to attend, let me invite you and your family to discover all that Black Hawk College has to offer you. Our institution has been a part of the communities it serves for over 75 years. Our distinguished faculty members help make your college experience the best that it can be. Our sports teams, student organizations and community involvement provide something for everyone to enjoy. I hope you will be able to schedule some time to tour one of our campuses.

Even if you aren't able to visit a campus, this viewbook will give you a window into student life at Black Hawk College. I assure you that we are here to work with you and your family every step of the way as you become familiar with not only Black Hawk College, but with the entire higher education experience. All the best to you as you make your decision.

Best regards,

A handwritten signature in blue ink that reads "Tim Wynne". The signature is fluid and cursive, with a long horizontal line extending from the start of the name.

President Tim Wynne, J.D.

Black Hawk College offers a variety of high-quality career and transfer programs at an affordable cost and a wide range of community outreach programs.

When you're a student at Black Hawk College, you are part of a family. Small class sizes and available instructors allow you to easily make connections.

The college operates within Illinois Community College District #503, which encompasses 2,200 square miles with more than 225,000 residents.

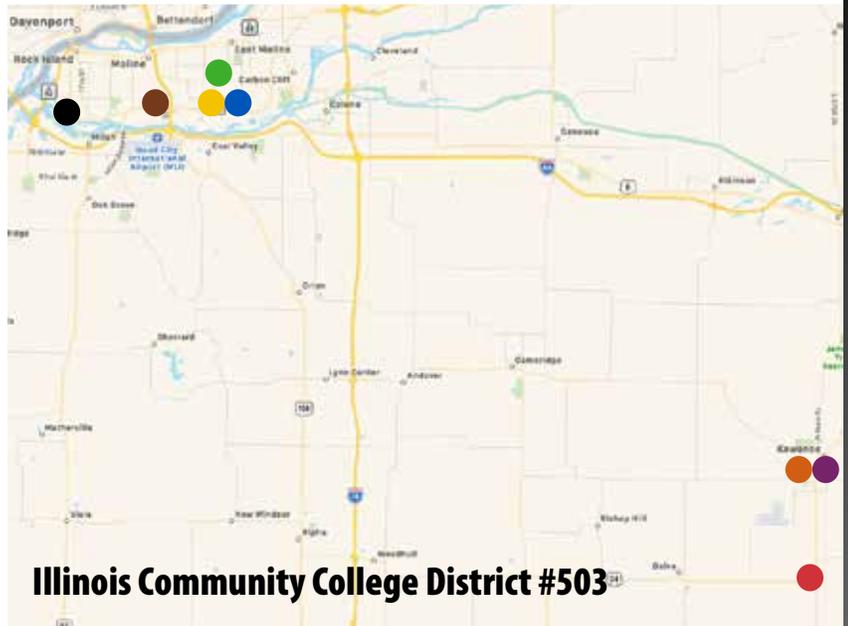

Black Hawk College:

- Includes the **Quad-Cities Campus** in Moline and the **East Campus** in Galva.
- Operates three outreach locations: **East Moline**, **Rock Island** and **Kewanee** catering to community and adult education, including ESL and GED®.
- Operates three training centers: **Business Training Center** and **Industrial Training Lab Extension Center** in Moline and **Welding and Skilled Trades Center** in Kewanee.
- Began in 1946 as Moline Community College and became Black Hawk College in 1961.
- Is recognized by the Illinois Community College Board and accredited by the Higher Learning Commission.

Who will you meet?

Whether Black Hawk College is in your hometown, several states away or on another continent, we have a lot to offer. Students from local communities, across the United States and nearly 70 countries have studied at Black Hawk College.

"If you want a future of any kind, Black Hawk College is the place to start. The tuition is cheaper, class numbers are smaller, and I'm not sure why you wouldn't choose Black Hawk College."

– Joshua Worten of Lake Butler, FL
BHC Associate in Science – Ag Transfer graduate

"There's a lot of opportunity and options at Black Hawk College. You can also make new friends from all over the country and the world."

– Jami Hessell of Okinawa, Japan
BHC Associate in Arts student

"The professors do a wonderful job teaching you material and want the best for you. It is very affordable and you would be taking some of the same classes at a four-year college that Black Hawk College offers at a lower cost."

– Ty Lewis of Rock Island, IL
BHC Associate in Arts graduate

Designed for students to earn associate degrees and then pursue bachelor's degrees at four-year schools.

Associate Degrees

- Associate in Arts 
- Associate in Fine Arts 
- Associate in Science
- Associate in Science – Agriculture Transfer 

 *Can be earned completely online.*

 *Programs offered at the East Campus only.*

 *Programs offered at the Quad-Cities Campus only.*

Academic Departments

- Agriculture
- Art, Design and Performing Arts
- Business, Computer and Engineering Technology
- Communication Studies, Humanities, Languages and Philosophy
- English and Reading
- Health and Human Services
- Mathematics
- Natural Sciences and Engineering
- Nursing
- Psychology and Sociology
- Social Sciences

Complete the first half of your bachelor's degree by choosing the associate degree that's right for you. Finish general education and foundation courses at Black Hawk College for your future major, then transfer to your four-year institution ready to go.

No matter what you plan on studying, our advisors can help you tailor your BHC degree to meet your transfer needs. Black Hawk College even has transfer agreements with numerous four-year colleges and universities in place covering subjects from accounting to technology management that you can explore online.

Explore transfer agreements, sample transfer plans and more at www.bhc.edu/transfer.

60+ TRANSFER
DEGREE
PATHWAYS

Take the next step!

1

Apply online or get more information at www.bhc.edu/getstarted.

2

Once you've applied, watch for your acceptance letter. It will be emailed to the personal email account used on the application.

3

Log into the myBlackHawk student portal to access *Hawk's Journey* and determine if you need to complete placement testing.

4

Apply for financial aid by submitting a FAFSA (www.fafsa.gov) and monitoring your myBlackHawk email for updates.

5

Send SAT/ACT scores to Enrollment Services at registrar@bhc.edu or schedule an appointment for placement testing in our testing center.

6

Meet with your assigned advisor to choose classes and register. All new degree-seeking students must meet with an advisor to create a schedule.

7

Check payment options, due dates and pay online.

BHC GRADS ARE EVERYWHERE

Did you know BHC graduates work in every sector?

From customer service to health to engineering, you'll find our graduates working across the Quad-Cities area and beyond.

Black Hawk College is an affordable way to get a great education with small class sizes and dedicated faculty.

SCHOLARSHIPS AVAILABLE TO STUDENTS

If you're self-motivated, self-disciplined and ready for a challenge, take advantage of our online classes. You can earn an Associate in Arts (AA) degree completely online through our Online AA program, or you can take a combination of online and in-person classes.

You'll experience learning from trained faculty at a great tuition rate. You pay in-district tuition no matter where you live for online classes, and you can complete your work anywhere with high-speed internet access.*

Online courses are highly structured and involve frequent online interactions with your instructor and classmates. Courses in the Online AA degree program do not require you to use testing centers or to come to campus, but students can stop by campus to use the Wi-Fi and visit.

Online Associate in Arts highlights:

- No on-campus requirements.
- Dedicated online advisor.
- Eight-week classes.
- Special orientation services.
- Student services/resources all online.

* See Technical Requirements at www.bhc.edu/online for equipment needs.

Court Reporting Technology (AAS)

Court reporters play a vital role in courtrooms, depositions and other legal proceedings.

The Court Reporting Technology program trains students to be professional judicial reporters as well as broadcast captioners and computer-aided real-time transcriptionists (CART).

Students get experience with real-time reporting techniques and technology in their core courses and explore potential career options in a supervised internship.

After completing the 60-hour program, students are prepared to take the Illinois Certified Shorthand Reporter (CSR) and the national Registered Professional Reporter (RPR) exams.

Cybersecurity (AAS)

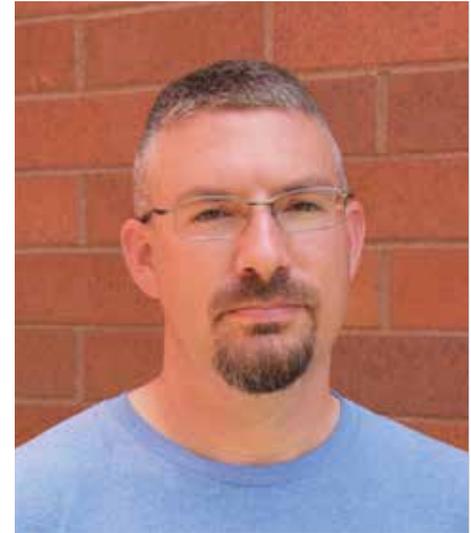

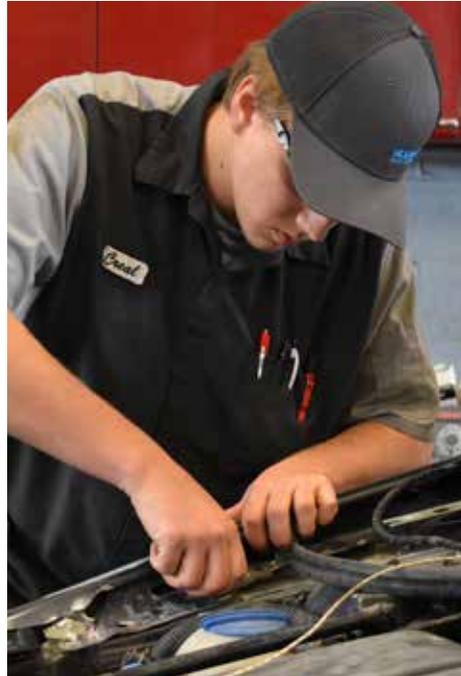

Cybersecurity professionals are in high demand to help protect data and information for businesses, industries and governments.

Cybersecurity students get hands-on training in the classroom and during an internship that enhances their classroom education with real-world experience.

The program provides broad background training that includes computer hardware, networking, operating systems, and programming and scripting courses. Students also can earn several industry certifications, including CompTIA A+, Network+ and Security+ and Cisco CCNA.

IT and business professionals regularly review the Cybersecurity curriculum to ensure the program maintains relevance with industry trends.

Black Hawk College trade and technical students learn to create, repair, install and troubleshoot – all skills that make them highly attractive to local industry recruiters. Just a few subjects you can study with us include automotive repair, CNC (computer numerical control) manufacturing, engineering technology, and welding. Criminal justice programs are also available in our trade and technical offerings.

"I'm a hands-on learner. I like getting my hands dirty. You're not just sitting a classroom. We do get the classroom time, but we also actually go out and try to fix stuff that is broken."

– Justin Tate of Fenton, IL

BHC Agribusiness Management Associate in Applied Science and Agriculture Production Technology Associate in Applied Science graduate

To meet the demands of an ever-changing agriculture industry, Black Hawk College East Campus offers a variety of career and transfer programs to ensure students are prepared with advanced training, from agribusiness management to veterinary technology.

The Agriculture Program offers students opportunities for on-the-job training with agriculture-oriented businesses in the region and throughout the nation.

Our graduates hold positions in agribusiness management, crop and livestock production, veterinary clinics and hospitals, and ag equipment dealerships. They are mechanics, farm operators, herdsman, riding instructors and horse trainers.

Learn more at www.bhc.edu/ag.

"I love the connections that create Black Hawk College's ag program. The ag staff is very experienced and always willing to help a student who shows interest in their field."

– Katelyn Smoot of Sterling, IL
 BHC Associate in Science – Ag Transfer graduate

The BHC East Campus has award-winning equine, livestock judging, and crops and soils judging teams. Students participate on a local, state and national level in agricultural scholastic bowls, job interview competitions in several areas of employment, discussion meets, computer skills contests and public speaking contests.

Ag competitive teams

- Crops & Soils Judging Team
- Horse Judging Team
- Intercollegiate Horse Shows Association (IHSA) Western and Hunt Seat Equestrian Teams
- Livestock Judging Team

WHERE CHAMPIONS ARE MADE!

Business degrees and certificates from Black Hawk College will prepare you with the financial decision-making and communication skills businesses expect. Students also benefit from networking activities such as job shadowing, volunteering and attending professional seminars and events.

Our instructors connect with local employers to find out what courses and skills graduates should have when entering the workforce, and most certificates and degrees require students to complete an internship that provides real-world experience. This means you'll have a competitive advantage in today's job market.

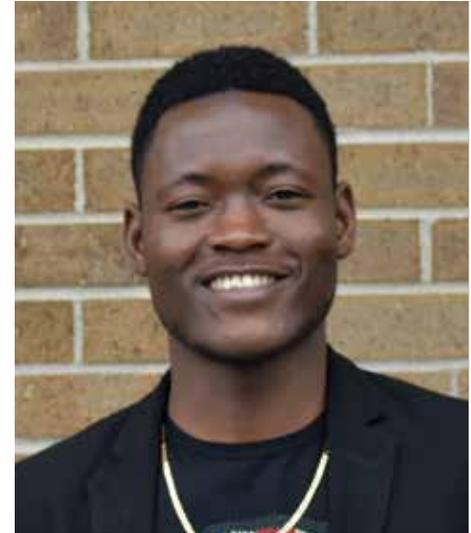

"Business degrees and certificates at Black Hawk College prepare students for positions in management, human resource management, accounting, finance, marketing and sales. The programs are designed for students to obtain skills to enter or re-enter the workforce with a competitive advantage or start their own businesses."

— Ewelina Bergert
BHC Associate Professor of Business

Our Associate in Applied Science degrees include internships so students graduate with on-the-job experience. Earn a Computer Information Technology AAS in Application Developer, IT Support Technician or Network Administration. A Visual Communications AAS degree is also available.

Certificate programs can be completed within one academic year and prepare students for vendor certification exams. The many certificates to select from include Art Technology, Business Software, PC Application Programmer and Web Developer.

"I love the hands-on activities in the computer labs and the amount of opportunities at Black Hawk College."

– C. Blaise Kinto of Togo, Africa
BHC Network Administration Associate in Applied Science student

Black Hawk College has a state-of-the-art Health Sciences Center and offers hands-on learning in specialized fields. BHC grads are in demand – area health care facilities contact us when they have positions to fill.

Whether your interest is in an eight-week course to quickly prepare for employment or in a two-year degree program, there is a program to meet your needs. Health care programs include Nursing Assistant (CNA), Practical Nursing (LPN), Associate Degree Nursing (RN), EMS-Paramedic, Physical Therapist Assistant and Surgical Technology.

Opportunities for students completing a health sciences career program are limitless: you can be employed in hospitals, nursing homes, clinics, physicians' or dentists' offices, or a number of community agencies. Black Hawk College will prepare you for a career helping others in a rapidly growing field.

“What I liked about the Associate Degree Nursing program is all the hands-on experience throughout the entire program. Having that hands-on experience makes a huge difference when we start working as nurses.”

– Leigh Westbrook of East Moline, IL
BHC Associate Degree Nursing graduate

Have you worked/are you working in early childhood education?

Are you a current member in the Gateways to Opportunity® Registry?

The Illinois Early Childhood Access Consortium for Equity Scholarship Program

This scholarship covers the total cost of attendance for an academic year (including summer) after other financial aid is received. Black Hawk College students apply through the Illinois Student Assistance Commission (ISAC), which administers the Early Childhood Access Consortium for Equity (ECACE) Scholarship Program.

Interested in making a difference by working with kids? Our early childhood education programs are a great way to get started in this rewarding field.

The Early Childhood Education Associate in Applied Science degree is designed to prepare students to work with children newborn through 5 years old in facilities that foster healthy social, physical, emotional and intellectual growth.

The Early Childhood Educator Certificate is designed to prepare individuals to be teachers in child care center and preschool settings. The Assistant Teacher Certificate is designed to prepare individuals to be assistant teachers in child development care center and preschool settings.

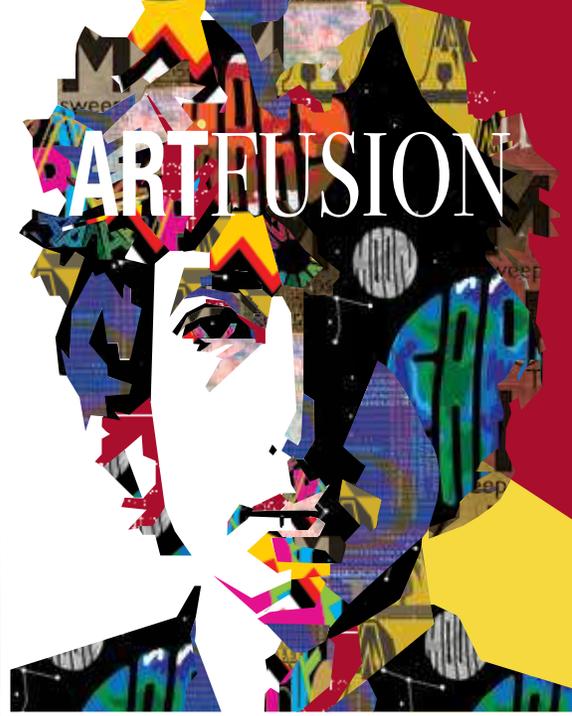

"The instructors are not simply teachers, but are truly support systems. It's absolutely amazing to sit in class with others who work with children and families."

– Kristie Amato of Moline, IL
BHC Associate in Arts, Early Childhood Education Associate in Applied Science, Early Childhood Educator Certificate and Assistant Teacher Certificate graduate

Black Hawk College's fine arts offerings include something for every student, from choir ensembles, orchestra and jazz band to monthly art receptions, a student art show and the student-produced magazine ArtFusion.

You can study in a creative, hands-on environment while developing a professional art portfolio. You can continue playing the instrument you love or sing in a choir. Black Hawk College can help you prepare for more than 75 careers in visual arts and music.

BHC achievement awards offer opportunities to significantly reduce the cost of attendance. There are also BHC scholarships specifically for fine arts students. Auditions for the music achievement awards are open to music and non-music majors.

Develop your talents or fuel your passions in Black Hawk College's clubs and organizations. You'll find service organizations, special interest clubs, event committees, support groups, honor societies and beyond. See all we offer at www.bhc.edu/studentlife.

Student Support Services

We're here to help you with:

- Book and laptop loans for students in career programs
- Campus bookstores
- Campus visits to transfer colleges and universities
- Campus-wide wireless access
- Counseling and community resources
- Disability services
- Financial aid
- Food pantry
- Job and internship assistance
- Library and research assistance
- One-on-one academic advising
- Study skills workshops
- Testing center
- Tutoring – one-on-one and in groups
- Veterans resources

Not a traditional student? Need accommodations for a disability? Are you a veteran ready to earn a degree? Black Hawk College has the resources to help!

Our wide variety of offerings and start dates means you can take classes at a pace that works for you. Tutoring online and in-person can give you a boost when you need it. From advising appointments to make sure your education is on the right path to job assistance services, Black Hawk College is here for you every step of your journey. Learn more about available resources at www.bhc.edu/resources.

Additional help also may be available for eligible students through TRIO Student Support Services or Perkins Career Program Support Services. See www.bhc.edu/student-support for details.

Free tutoring is available

Free tutoring is always just a click away at Black Hawk College! As a BHC student, you can get tutoring help 24/7 online through **Tutor.com**, which you access through your Canvas student account. On-campus tutoring for a wide variety of subjects is available during walk-in hours and also by appointment. Not sure when to seek tutoring help? Start early and show up often is a good rule of thumb, but you can use tutoring services anytime. Get tutoring help on a frequent or occasional basis: whatever works best for you.

"I chose Black Hawk College because it was the only college that provided the resources I needed to pursue an education. I'm a nontraditional student and Black Hawk College gave me the opportunity to change my life."

– Alma Lievanos of Rock Island, IL
BHC Associate in Arts graduate

"My job is to make sure transitioning service members receive all the benefits that they have earned."

— Tom Reagan, BHC Coordinator of Veterans Services

BHC welcomes veterans and active duty military members

Black Hawk College is proud to be military- and veteran-inclusive and to have our own Veterans Resource Center on the Quad-Cities Campus. Our coordinator of veterans services is available to help all active-duty military members and veterans understand their options through the GI Bill and transition into college life.

Call 309-796-5501 to get the answers you need or to set up an appointment. Visit www.bhc.edu/veterans for more information.

Disability services make BHC accessible

The Disability Services Office provides reasonable accommodations for people with qualified, documented disabilities. Services are free and confidential.

Examples of accommodations include sign language interpreters, alternate book formats, quiet rooms to take tests, extended testing time and peer note takers.

Should you need accommodations, call Disability Services at 309-796-5900. Learn more at www.bhc.edu/disabilityservices.

Want to play while you learn? Black Hawk College has six award-winning collegiate athletic teams at the Quad-Cities Campus with coaches who encourage student-athletes to have discipline both on the field and in the classroom.

Black Hawk College has a rich history of success in athletics and competes in the Arrowhead Conference as a member of the National Junior College Athletic Association (NJCAA). Black Hawk College teams and individuals have won more than 85 conference championships and more than 35 NJCAA Region IV championships.

HONORS

@ BLACK HAWK COLLEGE

Black Hawk College is always looking for new ways to challenge both its students. The focus of the Honors Program is to give students the opportunity to participate in academic work to enrich their college experience. The Honors Program is meant for both transfer and career and technical education (CTE) students to participate in honors work in their areas of interest.

The Honors Program consists of two courses, an honors seminar and an independent study, along with a service project.

"We're really trying to bring together the idea of what honors students do; they are leaders, they are interested in doing academic inquiry and research, and they are willing to participate in service," – Professor Nicole Banks

The Villas (Quad-Cities Campus)

Quad-Cities Campus student housing, The Villas, is across 34th Avenue from campus and features two-bedroom and four-bedroom apartments. The Villas are owned and operated by The Villas at Black Hawk LLC. The land is leased from the Black Hawk College Quad-Cities Foundation.

Learn more about The Villas at www.liveatbhc.com.

Prairie Pointe Apartments (East Campus)

At the East Campus, the student housing is Prairie Pointe Apartments, which is located right on campus and features two-bedroom and four-bedroom apartments. Prairie Pointe Apartments, LLC is owned by the Black Hawk College East Foundation and operated by Bluffstone, Inc.
