NOTES:

This Plan assumes the student has met the SAU foreign language requirement and does not need to take pre-college level reading, writing or math courses.

* One non-western studies course must be included in humanities, fine arts or the elective; see BHC advisor for course options.

** One of the science courses must include a lab (4 credits min.)

*** Does not count in 300 level requirement. # WI is writing intensive and must be taken at SAU.

It is recommended that students complete one introductory Philosophy course at BHC (IAI H4 course) to meet the prerequisite for the upper level philosophy/theology requirement at SAU. Students who earn the AA degree at BHC will only need to complete 6 hours of Philosophy/Theology after transfer. Students not earning the AA degree may meet up to six hours of the twelve hour Philosophy/Theology requirement prior to transfer by completing one Philosophy course and HIST 222 at BHC.

Lastly, foreign language at the 202-level satisfies humanities; SAU requires three years of the same language in high school or the equivalent of the 102-level in college.

This guide is not intended to be a contract with SAU. The information on this guide is subject to change; students are advised to contact SAU to keep informed of changes. Final responsibility for verifying all transfer information lies with the student.
