Admissions: (319) 335-3847 or admissions@uiowa.edu

Visitors Center: (319)335-1566 or campus-visits@uiowa.edu

Financial Aid: (319) 335-1450 or financial-aid@uiowa.edu

Admission Criteria: Transfer students who have accumulated 24 semester hours or more of credit must have a minimum GPA of 2.5 or higher to be admitted. Students who have earned the AA degree from Black Hawk College are admissible with a GPA of 2.25 or above, however, some majors require a higher GPA.

Application Deadlines for Transfer Students: Applicants for admission must submit an application, official transcripts of all course work from high school and all colleges attended except for courses in progress. Students planning to enter in fall must have all academic work completed by the end of spring semester. No course work from summer will be considered in the decision for fall admission unless the student will earn the AA degree. Application fee is \$40.00. [Apply](#)

College	Fall	Spring	Summer
Business	Aug 1	Dec. 1	N/A
Education	March 1	Oct. 1	N/A
Engineering	May 1	Dec. 1	N/A
Liberal Arts & Science	Apr 1	Oct. 15	Apr 1
Nursing	N/A	Apr. 1	N/A
Pharmacy	Dec. 1	N/A	N/A

Scholarships: For scholarship opportunities, please visit [University of Iowa](http://www.uiowa.edu).

- **AA Satisfies Lower Division General Education Requirements.** Students completing the Associate in Arts degree will satisfy the general education requirements in the College of Liberal Arts and Sciences, Tippie College of Business, College of Education, and University College with the exception of:
 - The respective World Language requirement for each UI college
 - Diversity and Inclusion requirement for the College of Liberal Arts and Sciences
- **AS does not Satisfy Lower Division General Education Requirements.** Credits will be evaluated course-by-course to determine how they will transfer. *Consult a BHC advisor prior to pursuing the AS degree.*
- **Applying for Admission:** Applicants for admission must submit an application, official transcripts of all course work from high school and all colleges attended except for courses in progress. Students planning to enter in fall must have all academic work completed by the end of spring semester. No course work from summer will be considered in the decision for fall admission unless the student will earn the AA degree.
- **Foreign Language Requirement:** Liberal Arts and Sciences students must complete 4 years in a single language to graduate from the university; Business students must complete 4 years in one language or 2 years each in two languages. Students who have taken the requisite years in high school have fulfilled these requirements.
- **Grades of “D”:** “D” grades are considered passing and will transfer, however, some programs will not accept these courses to meet requirements in the major.

- **IAI Participant:** No
- **Maximum Community College Hours Accepted in Transfer:** Sixty (60) semester hours or up to one half of hours required for the degree will apply. Excess credit and grades will be used to compute the grade point average and may be used to satisfy course requirements, but they will not count toward the total hours needed for graduation from the university.
- **Mid-year Transfers:** Students transferring in summer or spring are encouraged to make early contact with the UI Office of Admissions for current information on financial aid, housing and other related issues. One year in advance of entry is recommended.
- **Teacher Education:** [Teacher Education Program](#) admission is selective and is based on a faculty review of all application components. Meeting the minimum criteria does not ensure program admission. Selection is determined by academic achievement as reflected in grade-point average and test scores, aptitude as reflected by recommendations and personal statements and the ability of the given program area to provide quality instruction and clinical and field experiences. [Elementary Education](#) [Secondary Education](#) [Science Education](#)
- **Repeat Policy:** If a student repeats a course at the same institution, or an approved equivalent course from another college, the first grade is not counted in the transfer GPA. If the course is completed at the University of Iowa, the repeat must also be taken at the University of Iowa.
- **Transfer Grades:** Transfer grades are included in the student's cumulative GPA at the University of Iowa. Grades from career-technical courses are not figured into the transfer GPA.
- **Vocational Courses:** Up to 16 semester hours of vocational-technical credit (courses designated as career courses at BHC) can be used as elective credit toward a degree in the Colleges of Liberal Arts & Sciences, Education, or Business. Vocational-technical credit, however, comes in as un-graded elective credit and does not count toward the 24 transferable hours needed for admission.

This guide is provided as a service to BHC students and information is subject to change. Students should work with a BHC advisor and the transfer school to keep informed of changes. Responsibility for complying with all transfer information rests with the student.
