

## Sample Transfer Plan

## Area of Focus: *Music Therapy*

Associate in Arts (AA) transfer degree

Music courses are offered at the Quad Cities campus only

**This Sample Transfer Plan is for students intending to major in Music Therapy after transfer, but who have not selected a transfer institution.** Students who have a specific transfer school in mind should not use this guide, but instead seek advising from BHC and the transfer school to ensure the transfer institution's requirements are met.

Music therapy is the skillful use of music to promote, sustain, and restore physical and emotional health to people in varied care facilities and homes. Music therapists provide these music experiences to help patients, special needs students, older adults, and others improve in all functional areas of life. Four-year degree programs in Music are complex and highly structured, making careful preparation and course selection in the first two years essential. Students are urged to closely follow the recommendations below, and consult often with music faculty or an advisor. Prospective students are strongly encouraged to speak with music faculty before enrolling in music studies. Most transfer institution music programs will require an audition and placement exam in theory to be accepted.

**Foreign Language:** Consider the foreign language admissions and/or graduation requirements of potential transfer schools, which may be satisfied with high school and or/college courses. Consult an advisor.

**64 total credits required for AA degree (General Education + Electives)**

**Non-Western studies graduation requirement.** To graduate with the AA degree, include at least one non-Western studies course. The course can simultaneously fulfill a general education requirement in humanities, fine arts, or social and behavioral science, or be taken as an elective. Choose from ANTH 102; ART 285 or 286; ENG 217, 218, or 219; GEOG 105 (see advisor); HIST 222, 141, 142, or 151; IS 220 (see advisor); or MUSC 158.

**Students pursuing Music will often complete more than the 64 required credits for graduation due to the many elective options.** A maximum of 8 credits of ensembles and a maximum of 12 credits of Applied Lessons can count toward graduation.

#### Course Transferability

- Course and transfer requirements can vary among institutions and may differ from the recommendations on this guide.
- Grades of 'C' or better may be required for a course to transfer, especially courses intended for the major.
- **Students are advised to select a transfer school as soon as possible, typically before completing 30 college-level credits.**

#### Degree Timeframe:

- Students who complete an average of 16 college-level credits in four consecutive fall and spring semesters could complete the AA degree in two years.
- Students determine their own pace and progress and should consider their work and personal commitments, course difficulty, course pre-requisites, and possible need for additional courses determined by placement assessments.
- Advisors are available to discuss credit load and schedules appropriate for student goals and circumstances.
- BHC offers a selection of courses in the summer term and during the December/January minimester.

#### Advising Notes:

- See the current [BHC Catalog](#) for all IAI courses (GECC and Majors codes), course descriptions, pre-requisite information, and complete graduation requirements to earn the AA degree. The area of focus is not stated on student transcripts.
- See the [AA Degree Planning Worksheet](#) for a list of IAI GECC courses, or consult the "Associate in Arts" degree in Degree Audit on myBlackHawk (student tab).
- **This guide is not a substitute for advising.** All students are encouraged to seek advising each semester. Note that advising is required prior to registering for students who have earned **fewer than 30 college-level credits**.
