
Course Transferability

- Course and transfer requirements can vary among institutions and may differ from the recommendations on this guide. Grades of 'C' or better may be required for a course to transfer, especially courses intended for the major.
- **Students are advised to select a transfer school as soon as possible, typically before completing 30 college-level credits.**

Degree Timeframe:

- Students who complete an average of 16 college-level credits in four consecutive fall and spring semesters could complete the AA degree in two years.
- Students determine their own pace and progress and should consider their work and personal commitments, course difficulty, course pre-requisites, and possible need for additional courses determined by placement assessments.
- Advisors are available to discuss credit load and schedules appropriate for student goals and circumstances.
- BHC offers a selection of courses in the summer term and during the December/January minimester.

Advising Notes:

- See the current [BHC Catalog](#) for all IAI courses (GECC and Majors codes), course descriptions, pre-requisite information, and complete graduation requirements to earn the AA degree. The area of focus is not stated on student transcripts.
- See the [AA Degree Planning Worksheet](#) for a list of IAI GECC courses, or consult the "Associate in Arts" degree in Degree Audit on myBlackHawk (student tab).
- **This guide is not a substitute for advising.** All students are encouraged to seek advising each semester. Note that advising is required prior to registering for students who have earned **fewer than 30 college-level credits**.
