

Sample Transfer
Plan

Area of Focus: **Journalism**
Associate in Arts (AA) transfer degree

This Sample Transfer Plan is for students intending to major in Journalism after transfer, but who have not selected a transfer institution. Students who have a specific transfer school in mind should not use this guide, but instead seek advising from BHC and the transfer school to ensure the transfer institution's requirements are met.

Students planning to major in journalism will become proficient in general writing skills as well as learn the specific techniques used in journalistic writing such as interviewing, and sports, editorial and feature writing. Students who work on the Black Hawk College newspaper will focus upon the BHC community. Courses covering journalism-related fields such as photography and layout are also available. Journalism graduates may consider a wide range of careers in the media field, such as newspaper reporting, magazine writing, photo-journalism, and radio and television broadcasting, as well as the related areas of criticism and public relations.
