

Sample Transfer
Plan

Area of Focus: **Philosophy**
Associate in Arts (AA) transfer degree

This Sample Transfer Plan is for students intending to major in Philosophy after transfer, but who have not selected a transfer institution. Students who have a specific transfer school in mind should not use this guide, but instead seek advising from BHC and the transfer school to ensure the transfer institution's requirements are met.

"Philosophy" means a love of wisdom. Philosophy focuses on fundamental and important topics such as: ethics (the best way to live), metaphysics (ultimate reality), epistemology (theories of knowledge) and uses logic (arguments and reasoning) to do so. Philosophy students build skills to think critically, speak and write clearly, and to understand their own beliefs and the beliefs of others. Philosophy fosters creative problem solving and promotes transferrable skills. Students majoring in philosophy may enter advanced degree programs in preparation for teaching, law, political science, and business.
