

Transfer Planning Guide

TRANSFER FACTS

- Students transferring to Augustana as Biology majors who use this guide in conjunction with the Black Hawk College Associate in Arts (AA), may transfer to Augustana and complete their BA in Biology **in an additional two years**.
- Students who earn the AA at Black Hawk will meet the Learning Perspective requirement at Augustana.
- In addition to Learning Perspective requirements, students must meet the Writing, Second Language, Reasoned Examination of Faith (REF), Physical Education activities, Transfer Transitions course (LSC 300), as well as the Suffix requirements; Quantitative (Q), Global Diversity (G), Multicultural Diversity (D).
- Learning Perspectives, Second Language, Physical Education and Suffix requirements can be included in the Associate in Arts degree to be able to complete the BA at Augustana in an additional two years.
- Students must earn a minimum of 60 semester hours at Augustana to graduate.

NOTES:

1. All Augustana students must complete a course in both the Global Diversity (G) and Multicultural Diversity (D) suffixes. **One course may meet multiple requirements, so** BHC students may use the table below to see courses that satisfy these various requirements.

Categories	*denotes course that meets BHC Non-Western studies graduation requirement. See BHC advisor for additional Non-Western studies course options.	Augustana Global Diversity (G)	Augustana Multi-cultural Diversity (D)
BHC Humanities		SPAN 202	ENG 206, SPAN 202
BHC Fine Arts		ART 281, 282, 285*, 286*, MUSC 158*	
BHC Social and Behavioral Science		ANTH 102*, GEOG 105*, HIST 141*, HIST 142*	SOC 101, SOC 251
BHC Elective Courses		ANTH 100, POLS 262, SPEC 175	SPEC 114

2. If needed to reach 64 credits, students may select two one-hour Physical Education Activity courses from the PE category at BHC, however, this Augustana graduation requirement may also be completed at Augustana.
3. Organic Chemistry is recommended, not required (depends on career goal), before the end of junior year. If you are unsure if your career goal requires Organic Chemistry, please contact Augustana (see contact information)
4. Augustana College has a second language requirement for graduation that students may meet in one of the following ways:
 - Completion of four years of a single second language in high school.
 - Satisfactory performance on a competency test at Augustana.
 - Completion of course 102 in a foreign language at Augustana.
 - The equivalent of one year of a foreign language at another college (101 & 102 at Black Hawk College).
5. Statistics (Math 108 or 228) is a recommended support course for biology majors. Students who wish to work toward an M.S. or PhD in the biological sciences are encouraged to complete MATH 124, Calculus I. Both calculus and statistics will meet the Augustana College Quantitative Reasoning (Q) requirement.
6. Augustana graduation requirement to be taken at Augustana.
7. Refer to Augustana website at www.augustana.edu for additional possible major/minors.
8. Biology internship is optional (completes 2 credits)
