**NOTES:**

- Augustana College has a second language requirement for graduation that students may meet in one of the following ways:
  - Completion of four years of a single second language in high school.
  - Satisfactory performance on a competency test at Augustana.
  - Completion of course 103 in a foreign language at Augustana.
  - The equivalent of one year of a foreign language at another college (101 & 102 at Black Hawk College).
- Math 108 is recommended as it will meet both the Quantitative (Q) requirement as well as substitute for Augustana’s PSYC 240, Psychology Statistics.
- Electives may include courses toward a second major or minor at Augustana. Refer to Augustana website at [www.augustana.edu](http://www.augustana.edu) for other possible major/minors. Electives may also include ENG 100 and/or REA 103 if required by BHC assessment. See also note #5.
- Recommended elective within Psychology.
- All Augustana students must complete a course in both the Global Diversity (G) and Multicultural Diversity (D) suffixes. **One course may meet multiple requirements, so** BHC students may use the table below to see courses that satisfy these various requirements.
