## **ATTACH the following documentation to the LPN Application:**

\_\_\_\_\_ Unofficial college transcripts:

- web-based transcripts are accepted
- current Black Hawk students can access transcripts at **myBlackHawk.bhc.edu**
- transcripts must show grades for each course, cumulative GPA, and currently enrolled courses
- If Black Hawk College's Enrollment Services has received your official transcripts from another school, please indicate that on the application. Transcripts do not need to be attached in this case. However, please verify with Enrollment Services that they have received your official transcript as your application will not be considered complete without them. (If courses appear on your MyBlackhawk transcript or Degree Audit with a "T" grade then they have been received by Enrollment Services).

\_\_\_\_\_ International Students:

- transcripts must be evaluated by WES

\_\_\_\_\_ A copy of your placement test results if needed (Compass, SAT, Accuplacer, ALEKS). If your test score is over 2 years and you have not taken a math course, we highly recommend you take ALEKS. Please contact Advising.

\_\_\_\_\_ TEAS Test (must be retaken if taken before December 1, 2020). Attach a copy of your scores if test has been completed or send to me after completion.
