Articulation Agreement
Between
Black Hawk College
And
Palmer College of Chiropractic
Davenport Campus Only

Agreement into Palmer College of Chiropractic’s Bachelor of Science
and Doctor of Chiropractic Degree program

The purpose of this agreement is to enhance the transition of Associate Degree graduates from
Black Hawk College into the Baccalaureate Degree program [which is offered in conjunction
with the Doctor of Chiropractic curriculum] at Palmer College of Chiropractic’s Davenport
Campus. The following agreement shall establish the conditions under which students from
Black Hawk College shall progress to upper division status. This agreement is without a
specified termination date; however, either party may terminate the agreement at any time
provided students then currently enrolled shall be allowed to complete their course of studies
pursuant to the terms of the agreement in effect at the time of termination.

Note: Students wishing to participate under the terms and conditions of this agreement must
complete an Associate degree program at Black Hawk College.

I. Articulation conditions for all Black Hawk College Associate Degree Graduates
admitted to Palmer College of Chiropractic:

A. Palmer College of Chiropractic shall accept the required general education credits
earned at Black Hawk College, applying them toward the equivalent lower
division, general education requirements at Palmer College of Chiropractic.
B. Acceptance to Palmer College of Chiropractic will be contingent upon meeting all
Palmer College of Chiropractic admissions requirements.
C. Black Hawk College courses not applied to Palmer College of Chiropractic
general distribution, major or specialization will be accepted and applied as
general elective credits.
D. Admissions, financial aid, advisement, and registration services will be provided
by Palmer College of Chiropractic to those students who express an interest.

II. Black Hawk College will provide the following:

A. Recruitment Table: Space on campus [Student Union] for promotion of Palmer
College of Chiropractic.
B. Visit Awareness Marketing: Black Hawk College will actively promote
baccalaureate degree-granting institution campus visits [i.e., posters, brochures].
III. Articulation Approval:

Catalog 18-19 (#1638)
Palmer College of Chiropractic complies with the guidelines established by the Council on Chiropractic Education (CCE), which is recognized by the U.S. Secretary of Education for the accreditation of programs and institutions offering the Doctor of Chiropractic degree. The CCE requires students to have earned 90 semester credits (or 135 quarter) with a 3.00/4.0 cumulative grade-point average for admissions into a Doctor of Chiropractic Program. *
*Applicants who do not meet the CCE Admissions requirements may be eligible under the alternative admissions track plan. This point of entry requires applicant files to be reviewed by a committee. Decisions for admissions are determined on a case by case basis

In addition to adhering to the CCE’s guidelines, Palmer College provides priority consideration to applicants who demonstrate a strong, well-rounded academic record supported by co-curricular learning experiences. Qualified applicants will be invited to interview for placement into the program.

Palmer encourages students to pursue a well-rounded education with coursework that includes 24 science credits, half with labs, that may include biology (human anatomy and physiology, embryology, genetics, microbiology, immunology, cellular biology, exercise physiology, and kinesiology), chemistry (general chemistry, organic chemistry, analytical chemistry, biochemistry, toxicology/pharmacology, and nuclear medicine), and physical sciences (physics, biomechanics, and statistics).

Listed below is a sample of some recommended courses within the undergraduate institution’s catalog that will assist a student in selecting coursework to meet the 24 semester credits in life and physical sciences. Other course selections may be acceptable; however, Palmer strongly encourages any student who is interested in chiropractic to contact the Admission’s Department for individual guidance.

THIS PROGRAM IS SUBJECT TO REVISION DUE TO ADDITIONS AND/OR DELETIONS IN THE COLLEGE/UNIVERSITY BULLETIN.
Transfer Facts

- The first two years of the Bachelor of Science in General Science (B.S.G.S.) degree from Palmer College of Chiropractic may be completed at Black Hawk College by following the curriculum below.
- Students following this curriculum will meet degree requirements for the Associate in Science degree at Black Hawk College.
- The minimum requirements to complete the Palmer B.S.G.S. include: 121 total semester hours; sixty 100-200 level credit hours which may be earned at BHC; thirty 300-400 level credits earned at Palmer including thirty one credit hours of natural/physical sciences earned in the Doctor of Chiropractic (D.C.) program at Palmer.
- The B.S.G.S. complements the D.C. program curriculum, and courses are offered at times that accommodate students who obtain both degrees simultaneously.
- Admission to the B.S.G.S. program requires a minimum transfer cumulative GPA of 2.5/4.0 or better. Admission to the D.C. program requires a minimum of 90 credit hours with a transfer cumulative GPA of 3.0/4.0 or higher and 24 credits in life and physical sciences.
- All prerequisite courses must be completed with a grade of “C” or better.

**BHC Graduation requires 64 semester credit hours**

**NOTES:**

1. Science Electives
   Admission to Palmer College of Chiropractic requires 24 credits in life and physical sciences, half with labs. Recommended science electives at Black Hawk College include the following lecture with lab courses: CHEM 203, CHEM 204, PHYS 101 or 201, PHYS 102 or 202. Other options include embryology, genetics (BHC: BIOL 250 lecture only; optional BIOL 251 lab only), microbiology (BHC: BIOL 261 lecture with lab), immunology, exercise physiology, kinesiology, analytical chemistry, biochemistry (BHC: CHEM 206, lecture only), toxicology/pharmacology, nuclear medicine, and biomechanics.

2. Black Hawk College Non-Western Studies
   Students may meet BHC’s Non-Western studies graduation requirement by including one three-credit Non-Western course within the humanities, fine arts, or social behavioral science general education requirements, or as an elective.
   - Humanities: ENG 217, ENG 218, ENG 219, or HIST 222.
   - Fine Arts: ART 285, ART 286, or MUSC 158.
   - Social Behavioral Science: ANTH 102, HIST 141, HIST 142, HIST 151, or IS 200.

3. Social and Behavioral Science courses must be from two different disciplines. Recommended: PSYC 101 Introduction to Psychology, PSYC 230 Social Psychology *, or SOC 251 Sociology of Families.

4. Electives can be any 100- or 200-level course. Recommended courses:
   - BIOL 120 Nutrition (3 credits non-lab)
   - BUSN 121 Small Business Management
   - BUSN 230 Principles of Marketing
   - BUSN 240 Principles of Management
   - PSYC 119 Understanding Human Sexuality *
   - PSYC 210 Personality Theories*
   - SPEC 111 Business and Professional Communication

* Pre-requisite is PSYC 101
