Dear Prospective Associate Degree Nursing (ADN) Student:

Nursing is an academically challenging profession and requires a dedication to life-long learning to keep up with changing technology. The nurse treats a patient's mental, emotional, and physical needs.

A career in nursing requires a caring, compassionate person interested in others; able to handle catastrophe and crisis; willing to be legally and morally accountable for your actions; and respectful of the rights of people of all ages, races, social status, and religious beliefs. A nurse must possess a sincere desire to serve humanity, be able to accept responsibility, supervise others' activities, have initiative, and use good judgment in emergencies.

If you wish to pursue a degree in nursing, please complete the Application for Admission to the Associate Degree Nursing program. A checklist for submitting a complete application, the curriculum plan, and admission requirements is included with this document. **All applications are due by September 30, 2022 with priority given to applications turned in by September 15, 2022.**

If you have questions after reading through the packet, please call or e-mail Stephanie at 309-796-5379 or grays@bhc.edu.

Sincerely,

Trudy Starr, MSN, RN

Associate Degree Nursing (ADN) Program Checklist

- _____ Complete the steps to enrolling at Black Hawk College <https://www.bhc.edu/admissions/get-started/new-student-checklist>)
- _____ Complete the HESI Testing in the ILC at the Quad-Cities by September 30, 2022 if wanting admission for Spring 2023. You must have a minimum overall score of 70. Retests are allowed once per application cycle, but there must be a 3-week gap between the 1st test and the 2nd test.
- _____ Complete the Prospective Nursing Student Orientation. In order to access the Orientation, you need to complete these steps: 1) Apply to Black Hawk College at www.bhc.edu/apply 2) 48 hours after submitting the application you will need to log into myblackhawk. You can find directions at <https://www.bhc.edu/admissions/get-started/new-student-checklist/myblackhawk-portal/>.3) Once you have logged into myblackhawk you will need to type in this URL www.bhc.edu/nursingorientation. 4) Click on the “Enroll in Course” button. 5) Follow the prompts to complete the Orientation. It will take approximately an hour to complete. All students applying for the ADN program will need to complete the Prospective Nursing Student Orientation **each** time you apply.

ATTACH the following documentation to the ADN Application:

- _____ Unofficial college transcripts:
- web-based transcripts are accepted
 - current Black Hawk students can access transcripts at **myBlackHawk.bhc.edu**
 - transcripts must show grades for each course, cumulative GPA, and currently enrolled courses
 - If Black Hawk College’s Enrollment Services has received your official transcripts from another school, please indicate that on the application. Transcripts do not need to be attached in this case. However, please verify with Enrollment Services, because the application will not be considered complete without them. (If courses appear on your MyBlackhawk transcript or Degree Audit with a “T” grade then they have been received by Enrollment Services).
- _____ Unofficial high school transcript and ACT Scores **only IF:**
- you are a current high school student; OR
 - you are a student who graduated high school (or earned GED) within the last year and have completed less than 9 credit hours of college courses

Admission Requirements

All applicants should review the College catalog for Black Hawk College admission requirements. In addition to meeting Black Hawk College admission requirements, the student who wishes to enter the Associate Degree Nursing Program must meet the following requirements:

1. Earned a high school diploma or the equivalent;
2. Have a 2.7 (C+) GPA in all prerequisites and general education courses. If applying as Advanced Standing, nursing courses will also be counted towards GPA. Developmental courses are not counted into the GPA.
3. Completion of prerequisites for required courses with a grade of "C" or above, except Biology 145 which requires a "B" or above. Priority will be given to students that have completed BIOL 146 with a "B" or above. Completion of BIOL 145 and 146 must be within 5 years. Completion of BIOL 261 must be within 7 years.
4. Completion of all developmental courses determined by the college placement test with a grade of "C" or above.
5. Completion of HESI Exam. A minimum overall score of 70 is required to be considered for admission. HESI exam must be retaken if taken before July 1, 2021. Retests are allowed once per application cycle, but there must be a 3-week gap between the first and the second test.
6. Achieved an ACT composite score of 20 or greater if the applicant graduated from high school within the last year and has less than 9 credit hours of college courses.
7. High school applicants who do not meet GPA, did not graduate within the top 25% of their high school class, and any applicant with no college courses must take nine semester hours of college level courses.
8. Possess physical ability to provide client care.
9. Complete the Prospective Nursing Student Orientation online at www.bhc.edu/nursingorientation (see instructions on the ADN checklist).

*Students with chronic health problems or physical disabilities are accepted unless the health problem or disability is such that the student would be unable to complete the objectives of the program. For more information, see Technical Abilities Required by the Health Programs in the College catalog.

If you do not meet the above admission requirements, please contact the Advising Center at (309) 796-5101.
